

# Christian Simpore

Salt Lake City, UT | (240) 505-8123  
konteysimpore@gmail.com

## Objective

---

Seeking an exciting internship opportunity that provides a dynamic learning environment, where I can apply my technical skills, problem-solving abilities, and relevant experience to contribute effectively to the consulting industry.

## Skills

---

- HTML5, CSS3, JavaScript, Python, Java, SQL, C++
- ReactJS, AngularJS
- Bootstrap, Fetch API, REST API, UX/UI Design, Figma

## Projects

---

### Client-Side Web Development

- Developed a responsive e-commerce website enabling users to post product reviews and manage a shopping cart using HTML, CSS, and JavaScript.
- Collaborated with a team to integrate the Fetch API for dynamic data retrieval, enhancing user experience and functionality.
- Achieved a 30% reduction in website bounce rate by optimizing image loading and improving overall site performance.

### C++ Object-Oriented Problem Solving

- Utilized C++ and object-oriented programming to tackle intricate problem-solving tasks.
- Developed solutions for complex challenges, applying OOP principles to create efficient and maintainable code.
- Collaborated with peers in code reviews, refining coding practices and problem-solving techniques.

## Work Experience

---

### Rising Up Together | UT, Salt Lake City

#### Web Developer | 01/2024 - 04/2024

- Redesigned the website to create a more visually appealing, user-friendly experience
- Researched and implemented correct coding practices for SEO.
- Collaborate with cross-functional teams to create wireframes, prototypes, and visual designs for mobile and web platforms.

### Wikicharities | Utah, Ogden

#### Website Design & Development Intern | 04/2023 - 08/2023

- Updated their JONI website by implementing new UI/UX design features and functionality to enhance user engagement.
- Worked on optimizing the website's content and structure to improve its ranking on search engines.
- Led initiatives for redesigning and enhancing the user experience, demonstrating leadership and design skills.

## Education

---

### Weber State University | Ogden, Utah

#### Bachelor of Science: Computer Science | 12/2024
